

Tailgate Time PET CARE PROMO PACK

Introduction

Thank you for purchasing the Tailgate Time Promo Package!

Below you'll find a series of posts and accompanying images you can use to promote your pet business throughout September. We have taken professional stock photographs and added custom graphics and/or cropping to help each image and post stand out and engage with social media users. This promotion includes both dogs and cats, or just dogs or cats depending on the package selected. As a purchaser of this package you have the non-exclusive right to use all the images and posts "as is" or to edit and customize them for your business in 2019. (Please review Legal Rights on last page of this document). The goal of these posts is to engage pet parents with your brand on social media, allowing you to build a following and more easily reach pet parents in the coming months by retargeting those who have engaged with your post.

Follow these steps to successfully leverage your September Pack:

1. Decide which social media channels you'll be using:
 - a. The 'short form' posts are ideal for Facebook and Instagram.
 - b. The 'long form' posts are ideal for Facebook, but you can test some with Instagram.
2. Select the image in the appropriate folder for your social media channel. All images are contained in the downloaded zip file in directories named Facebook and Instagram and are labeled to match the post.
 - a. Download the images and save to your personal computer in an appropriate directory.
 - b. Copy the Instagram images to the mobile device you use with your Instagram account.
3. Decide when you will post.
 - a. Look at the suggested posting times on page 3 for guidance. We suggest posting twice per week.
 - b. Simply highlight the text you wish to use (Short Form or Long Form). Then copy it and paste it onto your social media channel's page. You can also copy text from the spreadsheet included with the zip file.
 - c. Use any or all of the hashtags along with your post.
4. Upload the image to your post.
 - a. Images are designed to go with specific posts, so make sure the image and post 'names' match.
 - b. Follow the social channel's instructions for uploading the image you previously downloaded.
5. Publish your post!
 - a. TIP: Tell your employees, friends & family to "like" and share your post. The more interaction your posts get, the more opportunity you have to grow your pet business and establish yourself as a community influencer!
 - b. To increase the reach of your post, consider targeting audiences within a 15-mile radius of your facility and spending \$50 to \$100 to boost each post. This will significantly increase your overall reach of the campaign, introduce new prospects to your brand, and drive more engagement with your social media pages.
6. BONUS POSTS & IMAGES!
 - a. Check out the bonus posts in some of the pages and on our Bonus Page if you'd like to take your social media campaigns one step further by offering a discount or special themed offer!
